Equity Technical Assistance and Grant Management Portal

New Features

Lizzie Corcoran, MPH (she/her)

Office of Health Equity

California Department of Public Health

Statewide Convening; September 6, 2023

WHAT IS THE EQUITY PORTAL?

The Equity Technical Assistance and Grant Management Portal (**Equity Portal**) is a platform designed to:

- Deliver **Technical Assistance** on equity topics

- Host **Forums** as virtual gathering spaces

- House the **Virtual Equity Toolkit** and other helpful resources

The Equity Portal will become a "hub" for LHJs and other stakeholders to connect with their peers, share resources, and build communities of practice to advance health equity

The Equity Portal will become one of the principal ways LHJs and other stakeholders engage with OHE through technical assistance, award management, resource sharing, and virtual forums
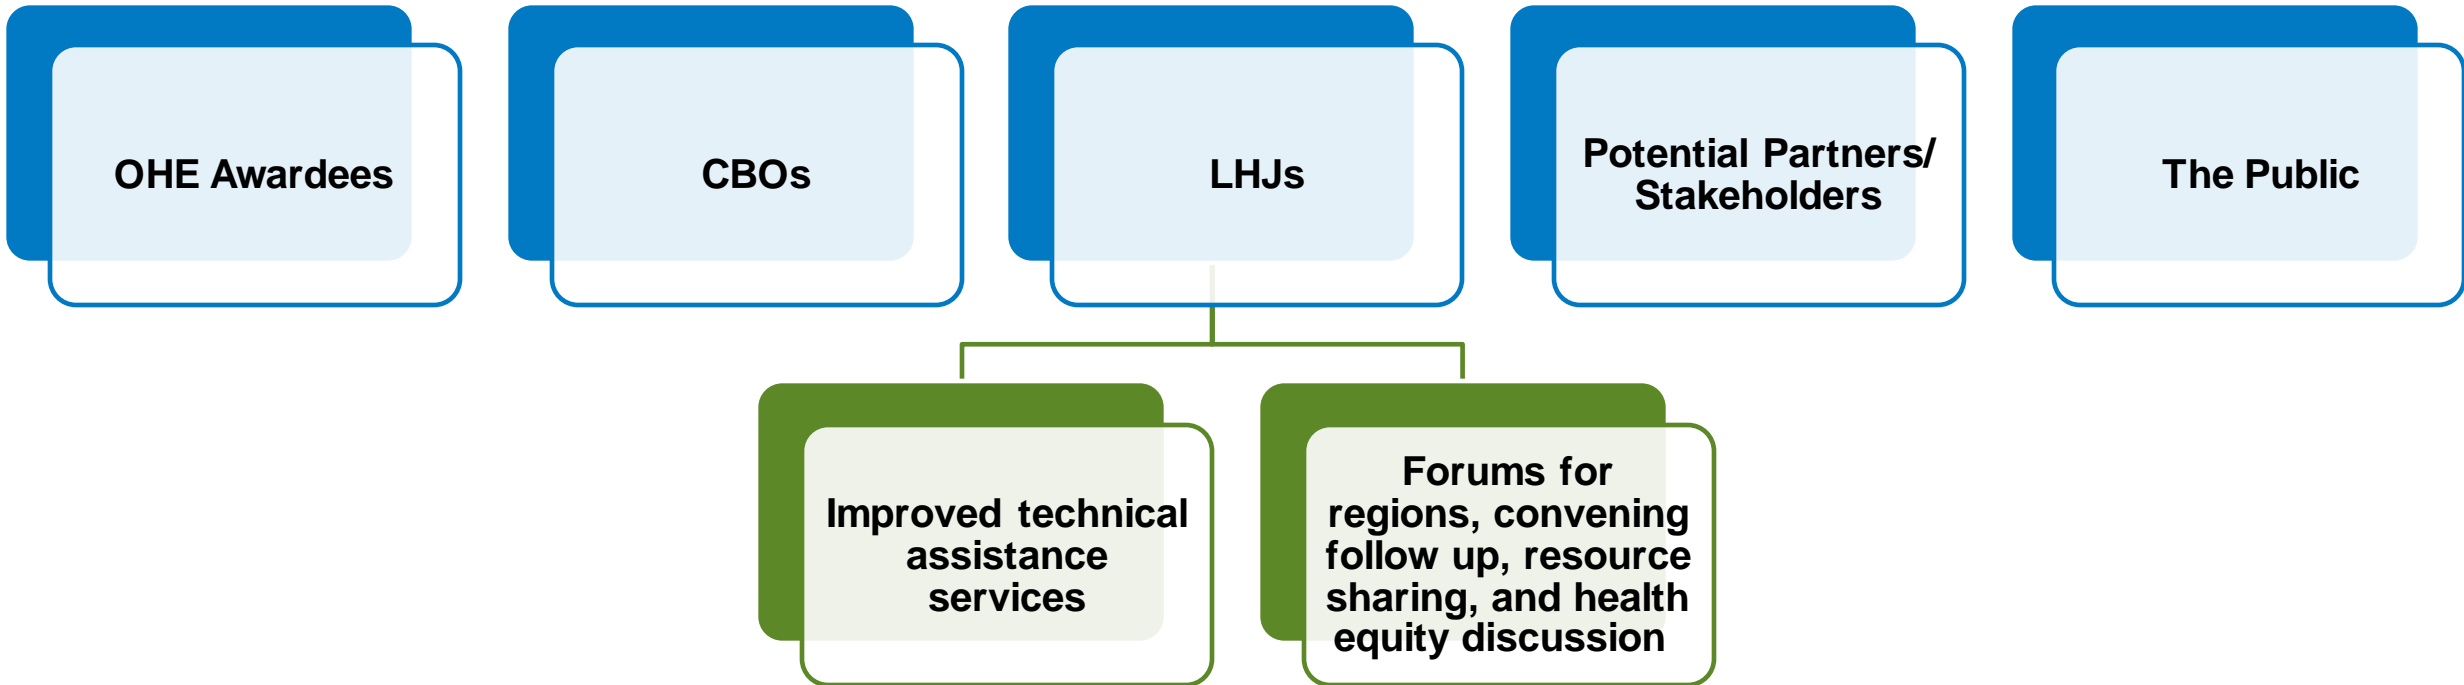

VISION

TARGET AUDIENCE: LHJS

- OHE Awardees
- CBOs
- LHJs
  - Improved technical assistance services
  - Forums for regions, convening follow up, resource sharing, and health equity discussion
- Potential Partners/ Stakeholders
- The Public
